ASSIGNMENT #1: DUE MONDAY SEPTEMBER 12TH
Choosing a neighborhood to observe

1. Each group should read the excerpts from the Final Report of 2008 Group 2 on the class web page and get an overview of one report from earlier years in the L560 archive.

2. Visit an area of Philadelphia that includes neighborhoods that would be of interest to group members. Choose a block in a neighborhood you are interested which
   a. is close to fully occupied
   b. is near some community institutions such as grocery stores, bars, cafes, schools, parks.
   c. is not wide enough to allow parking on both sides.

3. Be prepared in class to summarize strong points and weak points of the past report that is closest to the area you are interested in, and explain your decision to explore the neighborhood you have chosen. Use photographs if you have them.
