Soft-c

To figure out if the c sound is hard or soft, you have to check to see which letter comes next.

Remember, **hard-c** sounds like **k** and **soft-c** sounds like **s**.

1. Go back to page 3 in Chapter 5 and look at the words with **hard-c**. For each word, find the letter that comes right after the c. Write the letters here:

2. Look at all of the soft-c words on page 4. Which letters come right after soft-c? Write them here:

3. There are three vowels that can make make c sound like s. What are they?
